

your impact during COVID-19 & economic crisis

Tens of thousands in our community are facing unemployment, emotional distress and limited access to basic human services.

Generous people contributed \$1.5 million to Jewish Federation's J-Help Coronavirus Emergency Response to address urgent needs:

food & medicine
for frail seniors

emergency financial assistance
for people facing reduced income

telehealth services
for those suffering from mental distress

online education & activities
for isolated children and teens

If you or someone you know needs help, call 561.684.1991 or visit jewishpalmbeach.org/coronavirus
