

antisemitism

Antisemitism assumes many forms in today's world. In order to combat it, we need to recognize and understand its various manifestations.

antisemitism today

This is a presentation on the nature of the dramatic rise of antisemitism.

decoding the narrative

This program exposes the empty rhetoric and false arguments being used to demonize and delegitimize the state of Israel and Jews worldwide.

Antisemitism Today will:

- Equip you to play a vital role in standing up to antisemitism
- Help you identify antisemitism and anti-Zionism in their many, nuanced forms
- Explain the definition of antisemitism adopted by the State of Florida
- Keep you informed about this issue – making our community a safer, more welcoming place

Decoding the Narrative will:

- Help you understand the nature of the antisemitic narrative directed at Israel
- Explain how to identify the strategies behind the narrative and the true intentions of those who spread it
- Equip you to respond to this rhetoric

Contact us to bring these crucial presentations to your gated community, social club, professional group or organization.
