

Help us spread Passover cheer to our Seniors!

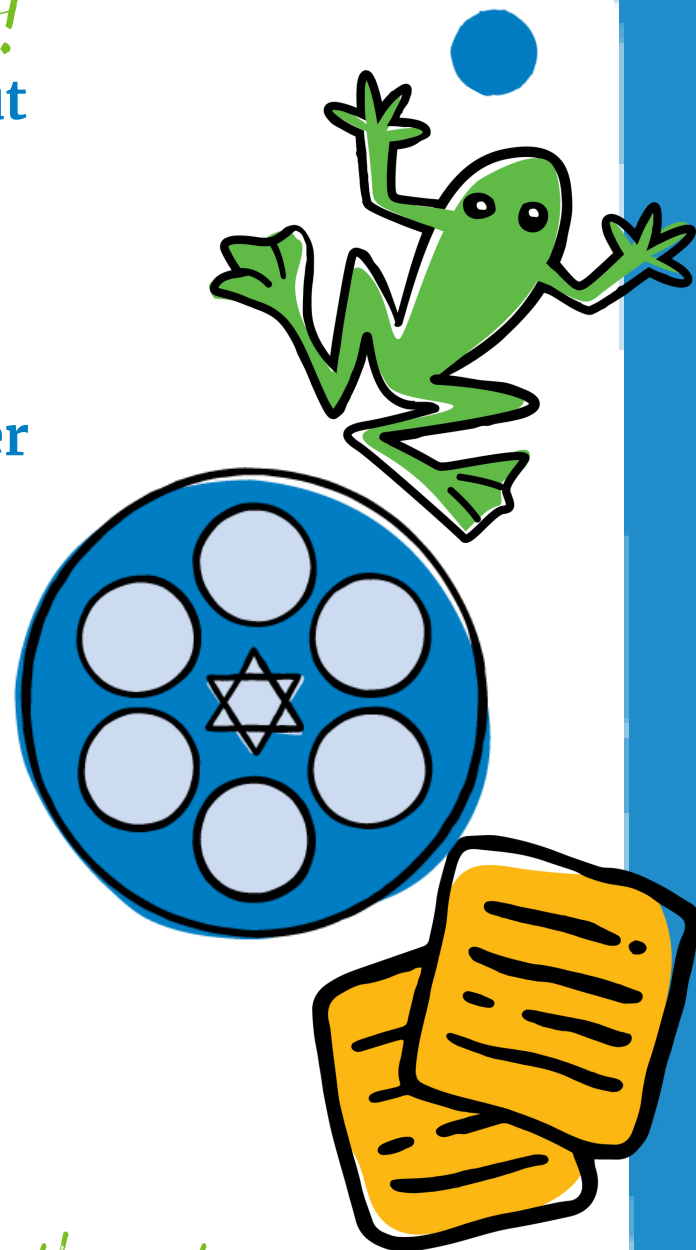

- Print out one or all of the coloring pages & cut each page in half. There are designs for all ages to color -kids, tweens, teens & adults!
- Color each side.
- Fold two or more pieces of construction paper in half.
- Glue one colored side to the front of each folded construction paper card.
- Write a short Passover note inside each card, or write your name inside.
- Mail completed cards to us by April 15:
