

**creating
a thriving Jewish
community**
Today. Tomorrow. Forever.

Jewish Federation of Palm Beach County leads a collective and powerful response to community needs and meaningful opportunities, ensuring those in need are never alone and those who can help are empowered to make a difference.

Whether it's giving every child the opportunity to experience Jewish camp, bringing people together to connect Jewishly, delivering hot holiday meals to homebound seniors or standing in unwavering solidarity with the people of Israel, we are always here for one another.

Federation is the "City Hall" of Jewish Palm Beach—one of the largest, fastest-growing and most dynamic communities anywhere. Through our broad network of partner organizations and programs, we offer the resources, expertise and track record to uphold the highest standards of responsibility, transparency and respect. That's why Federation consistently earns top ratings from charity evaluators as we transform lives locally, in Israel and worldwide.

Driven by our Jewish values, we build a vibrant, thriving and resilient Jewish community here in the Palm Beaches and around the world by focusing on four Impact Areas:

We combat antisemitism and hatred

– building a community where you feel safe and welcome.

We safeguard the people of Israel when they need us most

– creating a community that stands up for our global Jewish family.

We care for people of all life stages, needs and abilities

– fostering a community that offers the help you need to overcome life's challenges.

We activate a movement that unites our community to celebrate Jewish life with joy and pride

– cultivating a community where you can be active and involved in meaningful ways.

Thank you for your generous giving, compassionate volunteerism, visionary leadership and inspiring involvement. You make our community – and the world – a better place.

For Today, Tomorrow and Forever.

- Powered by the **Palm Beach Center to Combat Antisemitism & Hatred**, Community Leaders Israel Study Tours foster alliances with non-Jewish leaders from the Palm Beaches. Participants explore Israel's rich history and visit significant sites, including Yad Vashem and areas affected by the October 7, 2023, attacks. They engage with experts and everyday Israelis. They also tour border areas to understand the complexities of the conflicts with Hamas and Hezbollah. After returning home, they share their transformative experiences, advocating for unity against antisemitism and offer firsthand insights to their communities.
